NORTHSTAR

Mission: Through **dual enrollment pathways**, the pilot work is intended to create an integrated, replicable, regional K-16 educational system foundation to **address race equity and inclusion of our most vulnerable student populations systemically and sustainably** by:

- **improving socioeconomic mobility with increased educational attainment levels**
- **increasing employability in high demand, living wage jobs**
- **lowering the poverty rate**

Snapshots of Success Deliverables include:

- **Equitable access** to dual enrollment/college credit with intentional student success support.
- **Foundational implementation** of dual enrollment in labor market supported pathways leading to living-wage job opportunities.
- **Curriculum alignment agreements** with recognized co-curricular, course mapping sequences from high school dual enrollment to community college to four-year institutions for the DE pilot pathways.
- **Upskilled teachers** eligible to teach DE and increase capacity of DE offerings.

ARE YOU INTERESTED IN ACCOUNTING?
Earn a Bookkeeping Fundamentals certificate!

Bookkeepers are responsible for processing and recording financial transactions. They typically work for small or medium-sized businesses in a variety of industries, including construction, real estate, and retail. While many financially minded individuals enjoy long careers as bookkeepers, others gain experience in bookkeeping before pursuing other roles in finance.

Earn Your M.A. in Math Education Secondary Emphasis

Now available to Central, Clovis, Fresno and Sanger USD math teachers who possess a bachelor's degree in mathematics and are interested in qualifying to teach dual-enrollment courses in their high schools or work as adjunct instructors in a community college.

Courses cover a range of mathematics topics such as advanced algebra, geometry and calculus. The program includes courses like Teaching Math for Social Justice and The History of Math. Students will read the research in math education and complete a series of three comprehensive exam papers embedded in the coursework.

Program Highlights:

- Cohort of 15-20 students
- Classes begin January 2021 and May 2021
- Five semesters total with two 3-unit courses per semester
- All courses are 16 weeks long
- Synchronous class meetings on Tuesdays 5:30-8:30 p.m.
- Two hours of asynchronous reading and assignments per class
- Approximately 90% of the tuition cost will be covered through grants*
- \$1,500 stipend included to pay for books
- Equity and race training will better prepare you to serve your students

Program Cost*

- Tuition: \$21,000
- Grants:
 - \$8,000 per student (from the K-16 Collaborative)
 - \$5,000 per student (from AIMS Foundation)
 - \$8,000 per student (from Federal Teach Grant)

*Tuition and grants are estimates and available for qualifying students. Contact the FPU Student Financial Services Office at 559-453-2041 for more information.
